Good Afternoon,

It was so wonderful to see so many families attend our open house on Tuesday evening. Your children were so excited to show you all the things and people they work with every day. It was great to meet all of you!

Next week we have a very busy week ahead. Monday morning the whole school will practice a bus evacuation at 9:00 AM. Even though your child may never ride on the bus to and from school they will on a field trip so it's important for all students to know the rules and practice safety procedures when riding a bus. On Wednesday the Stoddard Fire Department will visit each classroom and review and practice fire safety and prevention practices in honor of Fire Prevention Month. Friday afternoon we will hold our first All-School Meeting outside on the blacktop at 1:20. (Weather pending) Tuesday is picture day we will begin with the Kindergarten class at 9:00 AM. Our Afternoon Enrichment Programs will begin next week. A permission slip went home this week if your child plans to attend please send it in prior to the day so we can plan for them that afternoon. On Monday evening, October 6th, the Stoddard School Board will hold their monthly meeting beginning at 6:00 PM. At 7:00 PM the School Board will adjourn their meeting and hold a Community Forum in the Multi-Purpose room. The school board would like to hear your thoughts on keeping the 6th graders in Stoddard. They are not voting or making any decisions Monday evening. They are gathering information to make an informed decision for the future. PTO will provide childcare during this time. There is a PTO meeting on Thursday, October 9th at 6:00 PM
