## Principal's Newsletter

Good Afternoon,

It was great to see so many community members and parents present at the Community Forum last Monday night. Thank you to those who came out and voiced their thoughts and opinions. Your voices were heard. The school board will move forward with finding a solution to JFES's space needs without the sixth graders part of the plan.

The PTO met last evening, they will be holding a Trunk and Treat on October 31, 2014 in the parking lot of JFES. They will be sending out more information to the families soon, but I wanted to give you all a heads up to start thinking of those trunk decorating ideas, I hear the best trunk gets a prize.

I am pleased to announce we have hired a school nurse! Jennifer Osborne will join the staff of JFES beginning next week. She will be at the school one day a week for three hours. As I had mentioned in a previous newsletter, Alan Palmer has taken a leave of absence, I am pleased to announce we have hired a long-term sub to replace him. Garison Rogaki comes to us from John Stark Regional High School two days a week. He is here on Wednesday and Friday afternoons from 2-3:30. The students have enjoyed his energetic and modern games.

Our Fire Prevention day was a hit! The students were actively engaged and learned a lot. The Kindergarten class was faced with an obstacle as they tried to leave the building, the exit door was blocked (on purpose) so they needed to go out another door. The firefighters also hid two teachers on us to help us practice and improve measures when accounting for all people in a building.

School is open and in session on Monday, October 13<sup>th</sup>!

The 4/5 classroom will be on a field trip Monday and Wednesday of this week.
